Dear *Judy*
Speen helping Hospices

Thank you so much for your donation of £5375.00. The money is so gratefully received, and on behalf of everyone at Florence Nightingale Hospice Charity, I would like to extend my thanks to you for all your support.

We are passionate about providing the very best care for our patients and their loved ones. We achieve this by focusing on improving quality of life, enabling dignity, alleviating stress, and supporting loved ones and carers through difficult times.

Our hospice will allow us to continue to broaden the services that we offer and to reach more local people. We only receive a small percentage of our funding from statutory sources, which means that we rely on the generosity of people like yourself to keep our services free.

If you would like to visit us here at Florence Nightingale Hospice Charity, please do get in touch.

Once again, we would like to thank you for your support, and if you want to know more about any of our services, then do not hesitate to get in touch. Please accept this letter as your receipt.
